

A Unique Christmas Gift!

Adopt a Boreal Bird!

How does my donation help the birds of the boreal forest?

By adopting a boreal bird, you are helping to support the many research programs at the Lesser Slave Lake Bird Observatory. Our research programs provide scientists from around the world with important information on boreal bird populations and migration patterns.

When you adopt a boreal bird you will receive:

- A colour picture of the adopted bird
- A certificate with details about the bird
- If your bird is ever recaptured, we will contact you with the details of the recovery

Black-capped Chickadee

American Redstart

Black-and-white Warbler

Yellow-rumped Warbler

Canada Warbler

Northern Saw-whet Owl

Sharp-shinned Hawk
