Banding Lab Tours!!!

Sundays
9:30 a.m. to 11:30 a.m.

Ever wondered what bird banding is all about? The LSLBO has picked up its fall migration monitoring program, so come on down to the lab to experience the event! Drop-in banding lab tours will run for groups of any size.

Directions: Follow the Lily Creek Group Use turn off on highway 88, between the Boreal Centre and Martin River Campground, and stop at the lakeside parking lot.
